Building Our Legacy Brick by Brick

Become a part of the Legacy!

The Cosby PTSO is helping build our legacy by selling personalized, engraved bricks that will be permanently set into the ground. Bricks will be placed into a new paved area around the lightning bolt sculpture located outside the auditorium entrance of the school! Each 4x8 brick is \$50 and can include up to 3 lines of text and up to 18 characters per line. For each brick ordered, you may order an optional donor brick for \$25. Donor bricks are full-size replicas of the installed brick and come with a felt backing.
